DivorceCare helps you recover from the pain of separation and divorce

Schedule

There aren't many people around you who understand the pain your separation or divorce has caused. To you. Your family. Your friends.

That's the reason for DivorceCare. It's a special weekly support group and seminar conducted by people who understand what you are experiencing. Most importantly, you'll learn how to deal with the pain of the past and look forward to rebuilding your life.

Support Groups

At DivorceCare, you will become part of a small support group of people who are also experiencing separation and divorce. You'll meet others who understand what you are feeling and who will be able to offer you encouragement. You'll also have a chance to talk about the information presented during the DivorceCare seminar. Many participants say these support groups are the most helpful part of the program.
